## PERFECT PLAY

### Race 11, #6 Dutee Chand S

Julie Miller trainee broke at the start in her last local effort. Raced well from the inside and 9 post – the two most difficult posts at Tioga. Draws well and should handle this crew.

## PRICE PLAY

### Race 2, #6 Tech Titan

Two wide posts and one bad start excuse this one's bad lines. He is just a clean trip away from the winner's circle and anything near the morning line could be a gift.
