PERFECT PLAY

Race 6, #1 Dewey Arnold

Six-year-old gelding is approaching \$500K in career earnings and should add to it here. Finds a soft spot and will wire this field. Single to kick off the pick 4.

PRICE PLAY

Race 3, #7 Flaming Roads

Four-year-old is no win machine, but just missed at this level in consecutive starts earlier this season. Races above his head in his last two but squeezes into this condition while forced outside. Should offer a nice price.
