PERFECT PLAY

Race 2, #4 Tennis Queen

Off-stride at the start at 2/5. Willing to forgive one. Prior to that, she had an Excel win and a narrow defeat in the NYSS. Single in the P5.

PRICE PLAY

Race 10, #1 Marshall Zhukov

No luck in his last after the interference break but was having a nice season prior. Should get a price from the tough post draw. Worth a look if near the morning line.
