## PERFECT PLAY

### Race 6, #2 Pearl Harbour N

Rom Harom trainee beat better locally earlier this season and drops in class off a solid try at PcD. Should sit close. Single to start P4.

## PRICE PLAY

### Race 10 #3 Hankins Hanover

With the money expected to fall on the Wallin and Svanstedt entrants, this former NJSS winner may fly under the radar. Has more experience than most in the field and gets Hennessey. Expect an aggressive drive.
